Cc: "Gay B. Stewart" <GSTEWARD@uark.edu>, Beth Cunningham <bcunningham@aapt.org>

Dear Mr. Roemer,

I have already expressed that I have neither the time nor interest in debating this topic with you. You have been already been instructed about the proper procedure to follow if you disagree with something that has been published in AJP. This message is simply to inform you that I will not be responding to any more of your emails.

Sincerely,
David Jackson
